ISO 9001 CERTIFIED

# Galvotec Worldwide

GALVOTEC MANUFACTURES SACRIFICIAL ALUMINUM, ZINC AND MAGNESIUM ANODES USED FOR CATHODIC PROTECTION

*CHEVRONTEXACO Petronius - 725 lb. Galvotec III anodes.*

Galvotec Alloys has been the leading innovator in the anode industry since 1984. We have been providing satisfied customers with the highest quality galvanic anodes on the market.

 Our versatile production capabilities can meet your exact specification requirements, whether your needs are for one anode or ten thousand anodes. From small condenser anodes to enormous platform or bracelet anodes, and even anode retrofit assemblies, Galvotec can perform for you!

Galvotec's state of the art laboratory and dedicated staff guarantee that all of your quality and design requirements are met.

A solid history of customer satisfaction, quality, and innovation has positioned Galvotec at the vanguard of the anode industry.

*Cameron Highway Oil Pipeline System, El Paso Manta Ray Gathering Co., Galvotec III 30" diameter bracelet anodes.*

*SHELL Bonga FPSO, Samsung - Galvotec III and Galvotec zinc hull and tank anodes.*

*SABLE Offshore Energy Project, Nova Scotia, Canada - 26" diameter Galvotec III bracelet anodes. Storage Yard - Shaw & Shaw - Sheet Harbour - 9/17/98*

**AMOCO Trinidad - 1200 lb. 40" diameter Galvotec III bracelet anodes.**

**BP Holstein Truss Spar, Technip – Galvotec III anodes.**

**EXXONMOBIL Kizomba A Extended Leg Platform - Utilizes Galvotec III sacrificial anodes as an integral part of its CP System.**

# Deep and Cold

## When failure is not an option... Specify Galvotec!

At over 5000 feet below sea level, and 32 degrees Fahrenheit, it is essential your project has an anode that can perform in the toughest of environments. Failure is not an option. Galvotec is the most experienced sacrificial anode foundry in the world. We manufacture the Galvotec CW-III, a cold water alloy specifically designed for proficiency in deep water applications. Galvotec is ISO 9001 Certified.

When you *Specify Galvotec* you specify reliability, experience, and time tested quality that you can trust.

Galvotec Corrosion Services, LLC  
Offshore/Onshore Design, Services and Materials

### DESIGN, SERVICE & MATERIALS

Galvotec Corrosion Services, LLC provides answers for complete cathodic protection for both on-shore and off-shore applications.

Many of the world's top names turn to the Galvotec Team for surveys, design, installation, inspection, materials & supplies, as well as technical support and consultation.

We welcome your challenge.
